## ▶ GM Message

We are all ready for a break from the heat and Fall means a chill in the air, leaves changing color and a full calendar of activities for Valley-Wide Recreation and Park District, including some of our favorites. Starting with the OLDlympics on September 20 and culminating with the Polar Plunge on January 11, 2025, we will offer 15 special events in Fall and early Winter.

Families can gather and share time at Halloween and Christmas activities at our recreation centers in Hemet, French Valley, Menifee, San Jacinto, Valle Vista and Winchester. And pull your nice clothes out of the closet for the 31st annual Autumn Elegance, November 2 at the Soboba Casino Resort.

All of us at Valley-Wide have a passion and enthusiasm for what we do and hope to create great experiences for everyone. Whether it's playing a sport, participating in an activity or simply visiting a park to take a walk, we are honored to serve you.

Please follow our website, [gorecreation.org](http://gorecreation.org), and social media @valleywiderec for up-to-date information about all our parks and events. #IAmValleyWide

## Jack Warneke

Valley-Wide lost a great friend in March with the passing of Jack Warneke. Jack, 92, participated in all of Valley-Wide's Fun Runs and the Oldlympics going back 40 years. He and his wife Nancy also were generous supporters of the Friends of Valley-Wide Foundation.

Forever in our hearts.

# ABOUT

## VALLEY-WIDE RECREATION & PARK DISTRICT

Valley-Wide Recreation and Park District is an independent special district created to provide park and recreation services for an area that now includes more than 275,000 residents. Our boundaries encompass an 800-square-mile area, which includes the cities of Hemet, Menifee and San Jacinto and the unincorporated communities of Aguanga, French Valley, Winchester, Temecula, and Valle Vista. In the early 1970s, a group of San Jacinto Valley residents teamed up to promote a Park District to offer recreational opportunities for youths, adults and seniors. The District was approved by voters and authorized on July 27, 1972. Since its creation, the

District has grown from one park to 87 parks and facilities, many of which have received national and state recognition for their design, innovation and style, as well as youth and adult sports leagues

**The mission of Valley-Wide Recreation and Park District is to responsibly provide exceptional programs and quality recreation and park facilities that promote community involvement and healthy lifestyles.**

and hundreds of educational and recreational classes and programs. Valley-Wide parks attract an estimated 4 million visitors per year.

Anyone who arrives at Echo Hills Golf Course immediately sees a sign that proclaims it as the "Friendliest Golf Course in the San Jacinto Valley". Ed Dover created the nine-hole, 26-acre course on the site of what was once a chicken ranch. He converted an old chicken shed into the clubhouse that's still in use today. Echo Hills opened in 1959 and shut down in 2010 due to high water costs. Valley-Wide Recreation took over the course two years later and following a rehabilitation, it reopened in 2013.

A 2,229-yard, par 35 course, Echo Hills is geared toward beginners and senior golfers looking for a round that isn't overly challenging. Although the course is considered easy to walk, cart rentals are available. Tee times must be arranged over the phone. Classes are held at various times throughout the year in conjunction with "Grandfathers for Golf", an organization that attracts youth to the game and teaches under privileged children and others how to play.

**OUTSTANDING VOLUNTEER**  
 (Pictured with Jan Bissell, Board President)

**Valley-Wide Recreation and Park District** recently received three Awards of Distinction from the California Association of Recreation and Park Districts. Recreation Supervisor Keri Price has been honored as Outstanding District Employee, the Oldlympics as Outstanding Activity/Program/Special Event and Eva Arambula as Outstanding Volunteer.

Keri Price has been an employee for almost 17 years. She built her career at Valley-Wide rising through the ranks from a part-time instructor to a recreation supervisor. She is the Director of the OLDlympics and a key member of the District's Event and Holiday Committee, planning activities to celebrate Easter, Halloween and Christmas and other occasions, which attract thousands of visitors to facilities across Valley-Wide's 800-square-mile district, and co-leader of the Mom and Me program for preschool-aged children.

She keeps a cheery disposition and is great working with the public by helping to find solutions when issues arrive. She is a valuable resource to her fellow supervisors and is always ready to volunteer and lend a hand in every aspect of the District. She never hesitates to go above and beyond to improve the District's facilities and programs.

The OLDlympics is entering its 39th year. The competition for people 50 and older combines traditional senior activities such as shuffleboard, golf, lawn bowling, billiards and cards with more physically demanding sports such as tennis, bench press and track and field. More than 800 people compete each year for camaraderie and medals.

Eva Arambula has been part of the District for 25 years – more than half her life. She has been a team mom and coach and a Softball Committee member for 14 years. She has been recognized outside of the district and given leadership roles with PONY Softball, where she has been a director for nine years and West Zone Division director since 2020. In that role, she coordinates large tournaments, including the West Zone World Series, which brings dozens of teams from the region and neighboring states to Valley-Wide's Diamond Valley Community Park for a week-long tournament.

Eva is not a passive volunteer; she is as comfortable dragging an infield as she is organizing a tournament. She is a go-to person and problem solver and always willing to lend a helping hand. Eva has the ability to inspire others to volunteer.

The California Association of Recreation and Park Districts is a state-wide association dedicated to improving the quality and efficiency of recreation and park districts. The California Association of Recreation and Park Districts advocates for and provides park districts with the support needed to fulfill their role as providers of quality programs and facilities to their local communities.
