Thank You Nick!

The entire Valley-Wide community shouts a loud THANK YOU to Nick Schouten, who recently left our Board of Directors after more than 50 years of service.

Nick's service spans the entire history of the district, predating our formation in 1972. He was a key member of the group that implemented programs at Valley-Wide after the district was formed and never received compensation or benefits from the District in all the years he was on the Board of Directors.

Outside of Valley-Wide, he has improved life in the community as a coach, game official, community leader and mentor. He has served youth in the San Jacinto Valley for more than 60 years. He was a coach at St. Hyacinth Academy in San Jacinto in 1969 when he became school board president for both that school and Notre Dame High School in Riverside. Nick was president of the San Jacinto Little League and involved with Junior All-American football and was instrumental in transitioning youth sports programs to Valley-Wide. Nick was appointed to the Valley-Wide Board in 1973, just one year after the district was formed by a vote of residents who desired a recreation and park district. He served until 2012 and rejoined the Board in 2018. He served multiple terms as President, guiding the district as we have increased the quality of life in the community. His advocacy and experience helped guide Valley-Wide from one park to 72 parks, 10 community centers and gyms, an aquatic facility, golf course and miles of streetscapes over an 800-square-mile area with 275,000 residents.

A longtime resident of San Jacinto, where he resides with his wife Nancy, he is a retired dairy farmer. Nick is a friend to all and never seen without a smile on his face. Thank you, Nick!

Get To Know Us!

Valley-Wide Recreation and Park District is an independent special district created to provide park and recreation services for an area that now includes more than 275,000 residents. Our boundaries encompass an 800-square-mile area, which includes the cities of Hemet, Menifee and San Jacinto and the unincorporated communities of Aguanga, French Valley, Winchester, Temecula, and Valle Vista. In the early 1970s, a group of San Jacinto Valley residents teamed up to promote a Park District to offer recreational opportunities for children, adults and seniors. The District was approved by voters and authorized on July 27, 1972. Since its creation, the District has grown from one park to 87 parks and facilities, many of which have received national and state recognition for their design, innovation and style, as well as youth and adult sports leagues

and hundreds of educational and recreational classes and programs. Valley-Wide parks attract an estimated 4 million visitors per year.

The mission of Valley-Wide Recreation and Park District is to responsibly provide exceptional programs and quality recreation and park facilities that promote community involvement and healthy lifestyles.

Please pick up your trash and if you are barbecuing, please make sure to dampen your coals and dispose of them properly. In addition, smoking and alcohol are not allowed in the parks at anytime. During special events, dogs are not allowed in the parks, and during regular operating hours, dogs must be on a leash, and accompanied by the owner at all times.

BENEFITS OF COMMUNITY PARKS

Recreation and park areas are vital for community well-being, promoting physical and mental health by providing spaces for physical activity and stress relief. They are essential social anchors that strengthen community bonds and reduce isolation across diverse groups, while also delivering economic value through increased property values and offering critical environmental services like air quality improvement and natural habitat conservation.
